

Transportation

Helsinki Region Transport Authority (HSL)

The cheapest way to travel is to use public transportation. We recommend 1–7 day tickets or Helsinki Card. In Helsinki-Vantaa Airport, HSL tickets can be purchased at R-Kioski, Alepa and Tourist information booths. In addition, you can also buy 1–7 day tickets and single tickets (paper tickets) on HSL's blue ticket machines. Helsinki Card is available at the airport's Tourist information and online.

From Helsinki-Vantaa Airport

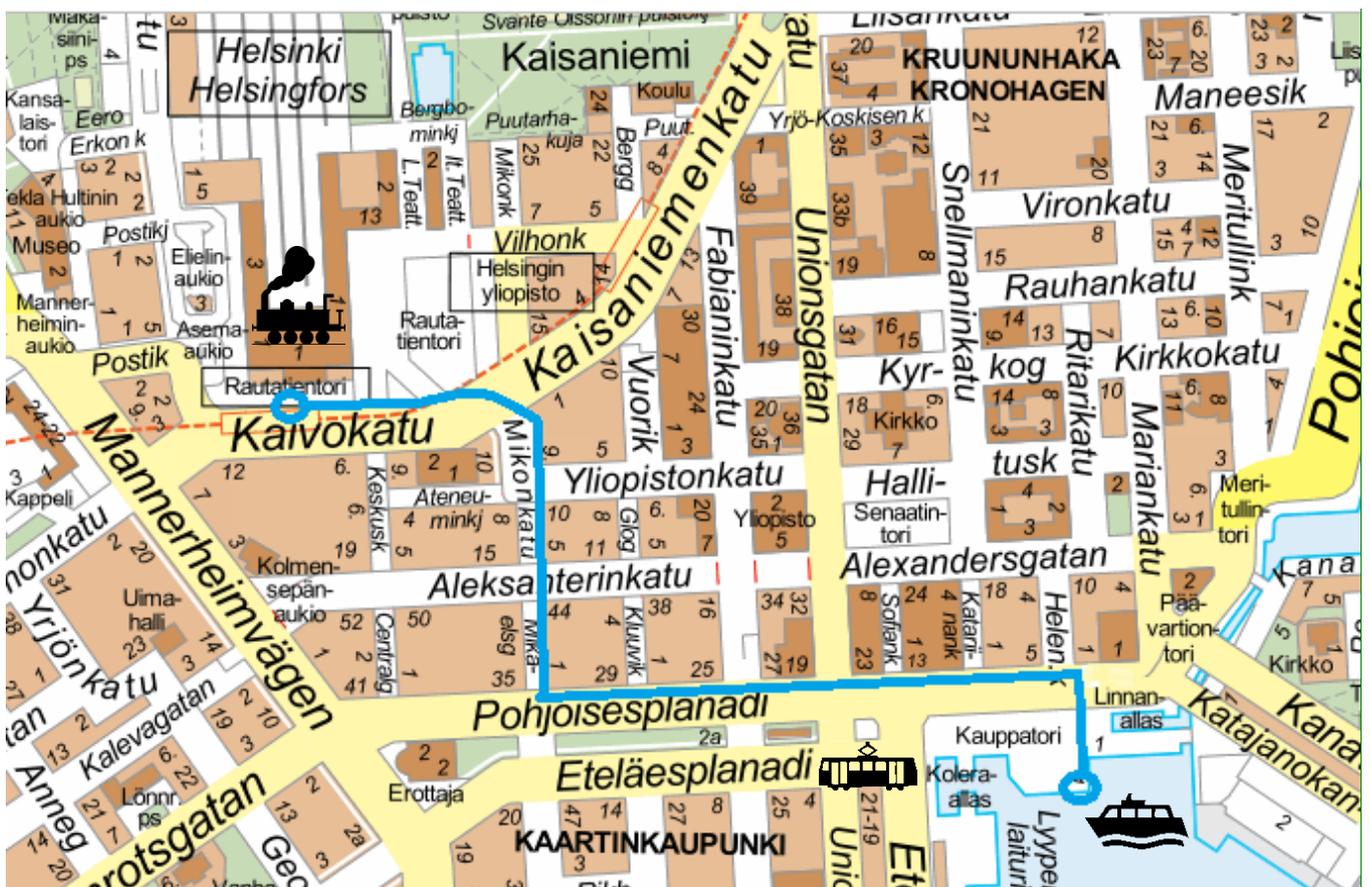

If you use public transportation, aim for the airport's train station. **Trains** I and P operate frequently between the airport and *Helsinki Central Railway station*. The entrance to the airport train station is in the corridor between T1 and T2 terminals and is easily accessible.

Taxi stands are located right outside the arrival areas of the terminals. Normal fee is about 50 euros and travelling time to Kauppatori varies from 30 to 50 minutes due to traffic.

From Helsinki Railway station

Walk from Helsinki Railway station to Kauppatori is only about 1,5km (0,9miles). Please, look at the map below.

Tram line number 2 operates from the railway station's main entrance (line towards *Olympiaterminaali*, leaves from the opposite side of the road). Your stop is *Kauppatori*, from which it only takes few minutes to the ferry.

And finally from Kauppatori to Suomenlinna

Suomenlinna is only accessible by water. The ferry service belongs to public transportation and all HSL tickets are accepted. The crossing is free with a Helsinki Card. If you decide to buy single tickets, they need to be purchased before boarding from the ticket machine on the departure pier. Tickets are not sold on board.

The ferry departs from the east side of the Market Square (Kauppatori), opposite the Presidential Palace. In Suomenlinna, the ferry arrives at and departs from the main pier of Iso Mustasaari island, on the north shore of Suomenlinna.
