Mailing List Rental Specifications

Cost

15¢ per name, minimum order of \$75.

Format

Pressure-sensitive 1"x 2-5/8" labels or text file by e-mail (we reserve the right to refuse delivery of list by email).

Delivery

Please allow 2–3 weeks for delivery. For an additional \$20 rush fee, we will process your list immediately upon receipt of payment and required documentation.

Search parameters

Our general list is around 1200 names. It includes current subscribers to *Midwifery Today* magazine, recent product buyers, and conference attendees. You may select any or all of these groups and specify how many days back to select records.

We can select records by state or postal code. You must provide us with the specific states or ranges of postal codes. We can also select records based on profession but do not recommend it because of the number of records for which the profession is not listed.

Complicated searches

Any searches outside of basic search parameters will be charged at \$35 per hour, billed in half-hour increments. The charge is in addition to the minimum order cost. Complicated searches are generally those that involve division of the list into inconsistent elements such as selecting State A for one time period plus State B for a different time period. In addition, lists involving complicated searches cannot be processed on a rush basis.

Payment

Pre-payment is required. No list will be sent until payment is received. In addition, a copy of the signed contract and a sample mailing piece must be submitted before the list is released.
